- Master Suite with Master Bath, and large Walk-in Closet.
- Andersen Windows
- Full Basement Foundation

Simply Additions is an authorized modular home builder for Westchester Modular Homes in CT.

Should you go modular or traditional?

Typically we can complete a 2,000 square foot home in 2 months. A traditional stick built home with the same specifications can take 4 to 6 months. We offer both options to our customers, because building is what we do, but many people prefer modular homes these days because of the shorter wait.
