Description: Kitchen Extension Addition

Is your Kitchen too small? This Kitchen Addition package adds 200 additional square feet to your kitchen, or any exterior wall of your existing home to function as a Room Addition.

Construction 20' x 10' Home Extension

The existing roofing and siding will be matched to your existing home and a kitchen extension addition will be built on the exterior wall where your existing kitchen resides on a crawl space foundation. (See our Prices below.) [\(click here to see a similar project\)](#)
