Description: 140 sq/ft

Add space by adding a front or rear dormer addition. This package is designed to give your home's second or third floor more space and flexibility. [\(click here to see acutal project\)](#)

Adding a front dormer will certainly give your home great curb appeal, but it will also allow more light into your home, and increase the air circulation on the second or third floor.

Construction 14' x 10' Dormer Addition

The existing roof will be cut in the section(s) where the dormer or dormers will be constructed. A dormer will then be framed to the specifications on this page or to your custom specifications. (See our Prices below.)
